**VIENNA COLLEGE NAMUGONGO :** *End of Academic Year 2020/2021*

**Dear Parent/Guardian,**

On behalf of the Board of Governors, Management and entire Vienna College fraternity, I express sincere gratitude for the continued support that you have unreservedly rendered to our institution. On the same note, the immeasurable support offered to our learners during this online Term cannot be underestimated, as it has enabled them accomplish the set learning objectives for the Term.

We also thank you; Parents and Guardians for embracing “**The tutor guided review and assessment**” programme which has yielded tremendous results. Kindly note that, the compiled students’ project work results will be used to assess the learners’ levels of achievement and the results will be reflected in the End of term reports.

As one of the many steps taken to ensure safety of all stakeholders, a decision was reached to have mass COVID-19 testing done on all staff and some students with the parent’s consent, during the course of this term. In addition, recently there was mass vaccination of about 95% of the staff and we thank the parents who reached out to management to make this possible, at a time when the Covid-19 doses were hard to access.

We would also like to express gratitude to all parents who have always shared invaluable ideas and given constructive feedback during our series of webinar conferences.
